HAKKIMIZDA / ABOUT US

YİĞİT ALÜMİNYUM

Yiğit Alüminyum, yapıların görünümünü ve kullanımını tamamlayan profil çözümleri üretir. Seramikten zemine, merdivenden mobilyaya uzanan ürün yelpazemizde; temiz birleşimler, dengeli geçişler ve uygulamaya uygun kesitler üzerinde çalışırız.

Tekirdağ Veliköy'deki üretim tesisimiz ve İstanbul Beylikdüzü'ndeki satış noktamızla, ürün seçimi ile tedarik sürecini bir bütün olarak ele alırız. Standart ve özel kesitli alüminyum profillerimizi, yurt içi ve yurt dışındaki müşterilerimizin ihtiyaçlarıyla buluştururuz.

Bizim için iyi bir detay; yalnızca görünüşüyle değil, uygulamadaki uyumu ve günlük kullanıma katkısıyla da değer kazanır.

YİĞİT ALUMINIUM

Yiğit Aluminium manufactures profile solutions that complete the appearance and function of buildings. From tiles and floors to stairs and furniture, our range focuses on clean joints, balanced transitions and cross-sections suited to the application.

With our production facility in Veliköy, Tekirdağ, and sales location in Beylikdüzü, Istanbul, we treat product selection and supply as one connected process. We supply standard and custom aluminium profiles to customers in Türkiye and abroad.

For us, a well-considered detail adds value through its appearance, its fit within the installation and its contribution to everyday use.

Bizi yakından tanıyın

Üretimden uygulamaya, aynı özen.

01 Detayda kalite

Ölçü doğruluğunu, yüzey görünümünü ve uygulama uyumunu birlikte değerlendiririz. Hedefimiz; birleşimlerde temiz bir görünüm, kullanımda güven ve projeden projeye tutarlı bir sonuçtur.

Quality in every detail

We consider dimensional accuracy, surface appearance and installation fit together. Our aim is a clean finish at every joint, confidence in use and consistent results across projects.

02 İhtiyacı anlayan iş ortaklığı

Doğru ürün, ihtiyacın doğru anlaşılmasıyla başlar. Profil seçimi, ölçü, yüzey ve miktar taleplerini birlikte ele alır; müşterilerimizle açık ve doğrudan iletişim kurarız.

A partnership built on understanding

The right product starts with a clear understanding of the need. We consider profile, size, finish and quantity requirements together and maintain clear, direct communication with our customers.

03 Uygulamadan beslenen gelişim

Ürünlerimizi sahadaki kullanım ihtiyaçları ve müşterilerimizden gelen geri bildirimlerle geliştirmeyi önemseriz. Daha işlevsel kesitler ve daha verimli üretim süreçleri için çalışırız.

Development informed by application

We value practical requirements and customer feedback when developing our products. Our work focuses on more functional cross-sections and more efficient production processes.

04 Kaynağa saygılı üretim anlayışı

Malzemenin verimli kullanımını ve üretim kayıplarının azaltılmasını gelişimin bir parçası olarak görürüz. Çevresel sorumluluğu, süreçlerimizi değerlendirirken dikkate aldığımız temel ölçütlerden biri kabul ederiz.

Respect for resources

We see efficient material use and reduced production waste as part of continuous improvement. Environmental responsibility is a core consideration when reviewing our processes.

05 Amacımız: doğru detayı tamamlamak

Mimari detaylarda işlevi ve estetiği bir araya getiren çözümler sunmayı amaçlarız. Üretim kabiliyetimizi geliştirerek müşterilerimiz için uzun vadeli, güvenilir bir tedarik ortağı olmayı hedefleriz.

Our purpose: completing the detail

We aim to bring function and appearance together in architectural details. By developing our manufacturing capabilities, we seek to be a dependable, long-term supply partner for our customers.
